North Lanarkshire Federation of Tenants and Resident's Associations is here to assist you. We are a voluntary organisation that represents tenant and resident organisations throughout North Lanarkshire. We want North Lanarkshire to be a place where your voice is heard, valued and acted on. We can assist you to form [a tenant and resident organisation](#) for your local area or help you as an individual to become more involved in improving your local community.

Speak up for your neighbourhood.
Your first step to a better community.
